

## Declaration of Conformity in accordance with Regulation (EU) 2025/40 (PPWR)

### 1. Manufacturer

#### AUER GmbH

Am Kroit 25/27

83123 Amerang - Germany

### 2. Product Identification

|                            |                                                   |
|----------------------------|---------------------------------------------------|
| Product                    | Collapsible big boxes with 4 opening flaps        |
| Type                       | KLK 86R                                           |
| Outer dimensions L x W x H | 80 x 60 x 93 cm                                   |
| Inner dimensions L x W x H | 74 x 54 x 64 cm                                   |
| Material                   | Multiple components – see material specifications |
| Volume                     | 250 liter                                         |
| Weight                     | 19.24 kg                                          |
| Purpose                    | Reusable transport and storage containers         |

### 3. Declaration of Conformity

It is hereby declared that the reusable plastic container described above complies with the applicable requirements of Regulation (EU) 2025/40 on packaging and packaging waste (PPWR), insofar as these apply to the product.

The container has been designed, in terms of its construction and the materials used, in such a way that:

- it can be reused multiple times
- a high level of mechanical strength is achieved
- reusability is supported
- the recyclability of the material used is guaranteed
- the amount of material is limited to what is required to fulfil its functional requirements

#### 4. Material specifications

| Component                                                             | Material                                        | SKU        |
|-----------------------------------------------------------------------|-------------------------------------------------|------------|
| Base                                                                  | High-Density Polyethylene (HD-PE)               | GKG-86     |
| Side wall base body for KLK 86                                        | High-Density Polyethylene (HD-PE)               | KLK8602    |
| Slide lock bar cut-out flap KLK86                                     | Acrylonitrile-butadiene-styrene copolymer (ABS) | KLK 080610 |
| Right-hand slide lock housing cut-out flap KLK 86                     | Acrylonitrile-butadiene-styrene copolymer (ABS) | KLK 080613 |
| Spare parts for foldable big boxes                                    | Acrylonitrile-butadiene-styrene copolymer (ABS) | KLK 080612 |
| Attachments such as turning locks, hinges                             | Acrylonitrile-butadiene-styrene copolymer (ABS) | SC-KLK     |
| Plug-in hinge left side wall KLK 86                                   | High-Density Polyethylene (HD-PE)               | IBC 080604 |
| Plug-in hinge centre side wall KLK 86                                 | High-Density Polyethylene (HD-PE)               | IBC 080605 |
| Plug-in hinge right side wall KLK 86                                  | High-Density Polyethylene (HD-PE)               | IBC 080606 |
| Front wall base body KLK 86                                           | High-Density Polyethylene (HD-PE)               | KLK8603    |
| Slide lock bar cut-out flap KLK86                                     | Acrylonitrile-butadiene-styrene copolymer (ABS) | KLK 080611 |
| Right-hand slide lock housing front and side wall KLK 86              | Acrylonitrile-butadiene-styrene copolymer (ABS) | KLK 080614 |
| Spare parts for foldable big boxes                                    | Acrylonitrile-butadiene-styrene copolymer (ABS) | KLK 080615 |
| Plug-in hinge front wall GLT 86                                       | High-Density Polyethylene (HD-PE)               | IBC 080607 |
| Locking bolt                                                          | High-Density Polyethylene (HD-PE)               | KL120012   |
| Locking bolt                                                          | High-Density Polyethylene (HD-PE)               | KL120013   |
| Wood adapter for wheel                                                | FOR                                             | HK-GLT86   |
| Countersunk milling pocket head screw, fully threaded AW 20 5.0x30/25 | Thermoplastic elastomer (TPE)                   | SSK 5x30-H |
| Lock nut M10                                                          | Thermoplastic elastomer (TPE)                   | MU M10-S   |
| Round-head screw 10x90                                                | Thermoplastic elastomer (TPE)                   | SFR 10x90  |
| Scheiben DIN 125 Durchmesser 8,4 mm                                   | Thermoplastic elastomer (TPE)                   | SCH M10-S  |
| Recyclability                                                         | 100% recyclable                                 |            |
| Rating                                                                | Recycling Class A                               |            |

#### 5. Reuse

The container is designed as a durable, reusable container for storage, transport and internal logistics processes. These characteristics meet the requirements for reusable packaging as set out in the PPWR.

#### 6. Compliance with material requirements

| Requirements             | Status                  |
|--------------------------|-------------------------|
| Heavy metals (<100 ppm)  | fulfilled               |
| REACH (EG Nr. 1907/2006) | fulfilled               |
| PFAS*                    | not added intentionally |

\*The materials used comply with the relevant requirements for plastics intended to come into contact with food. To the best of our knowledge, no

per- and polyfluoroalkyl substances (PFAS) are intentionally added, insofar as this is relevant to the intended use.

#### **7. Minimising the amount of packaging**

| Requirements                | Status                                                     |
|-----------------------------|------------------------------------------------------------|
| Optimised volume and weight | fulfilled Design optimised for materials and functionality |

#### **8. Applicable legal basis**

Regulation (EU) 2025/40 on packaging and packaging waste (PPWR)

Regulation (EC) No 1907/2006 (REACH), where applicable

POPs Regulation (EU) 2019/1021

Regulation (EU) No 10/2011

Consumer product within the meaning of Section 2(6)(1) of the German Food, Consumer Products and Animal Feed Code (LFGB)

#### **9. Technical documentation**

The technical documentation, material certificates, test reports and any available certificates and declarations of conformity are maintained in accordance with the applicable legal requirements and made available to the relevant authorities or authorised bodies upon request.

#### **10. Place and date of the exhibition**

Amerang, 08.10.2026

#### **11. Name and position of the signatory**

Sergej Andert, Managing Director
