

## Declaration of Conformity in accordance with Regulation (EU) 2025/40 (PPWR)

### 1. Manufacturer

#### AUER GmbH

Am Kroit 25/27

83123 Amerang - Germany

### 2. Product Identification

|                            |                                                   |
|----------------------------|---------------------------------------------------|
| Product                    | Euro containers with longitudinal dividers        |
| Type                       | EG GEF LT 6417                                    |
| Outer dimensions L x W x H | 60 x 40 x 17 cm                                   |
| Inner dimensions L x W x H | 55 x 37 x 16.5 cm                                 |
| Volume                     | 35 liter                                          |
| Weight                     | 1.67 kg                                           |
| Material                   | Multiple components – see material specifications |
| Purpose                    | Reusable transport and storage containers         |

### 3. Declaration of Conformity

It is hereby declared that the reusable plastic container described above complies with the applicable requirements of Regulation (EU) 2025/40 on packaging and packaging waste (PPWR), insofar as these apply to the product.

The container has been designed, in terms of its construction and the materials used, in such a way that:

- it can be reused multiple times
- a high level of mechanical strength is achieved
- reusability is supported
- the recyclability of the material used is guaranteed
- the amount of material is limited to what is required to fulfil its functional requirements

### 4. Material specifications

| Component                    | Material                      | SKU            |
|------------------------------|-------------------------------|----------------|
| Container                    | Polypropylene (PP)            | EG 64/17       |
| Partions for Euro containers | Polystyrene (PS)              | EG GEF HS 6442 |
|                              | FE                            | SLK 5x8        |
|                              | Thermoplastic elastomer (TPE) | MU M5          |
| Recyclability                | 100% recyclable               |                |
| Rating                       | Recycling Class A             |                |

### 5. Reuse

The container is designed as a durable, reusable container for storage, transport and internal logistics processes.

These characteristics meet the requirements for reusable packaging as set out in the PPWR.

## 6. Compliance with material requirements

| Requirements             | Status                                      |
|--------------------------|---------------------------------------------|
| Heavy metals (<100 ppm)  | fulfilled                                   |
| REACH (EG Nr. 1907/2006) | fulfilled                                   |
| PFAS*                    | Not relevant; not suitable for food contact |

\*To the best of our knowledge, no per- and polyfluoroalkyl substances (PFAS) are intentionally added to the materials used.  
The product is not intended for direct contact with food.

## 7. Minimising the amount of packaging

| Requirements                | Status                                                          |
|-----------------------------|-----------------------------------------------------------------|
| Optimised volume and weight | fulfilled      Design optimised for materials and functionality |

## 8. Applicable legal basis

Regulation (EU) 2025/40 on packaging and packaging waste (PPWR)  
Regulation (EC) No 1907/2006 (REACH), where applicable  
POPs Regulation (EU) 2019/1021

## 9. Technical documentation

The technical documentation, material certificates, test reports and any available certificates and declarations of conformity are maintained in accordance with the applicable legal requirements and made available to the relevant authorities or authorised bodies upon request.

## 10. Place and date of the exhibition

Amerang, 08.10.2026

## 11. Name and position of the signatory

Sergej Andert, Managing Director
