Ausführungsklasse	TEC
Country of Manufacture	Italy
HS-Code	39269097
Weight	0.00092 kg

DESCRIPTION

The Bosch Rexroth M6 expander nut is a connecting element for building profile structures in assembly technology. It is inserted into profile slot 10 and tensioned as a countersunk screw is tightened, providing a quick to assemble and detachable fastening.

- Polyamide (PA) in signal gray, similar to RAL 7004
- suits profile slot 10 and M6 thread
- requires a countersunk screw as accessory
