

Fastening Parts Kit QV, Slot 10, 8x40, Galvanized Steel - Bosch Rexroth 3842146972

Item no. BRR-3842146972

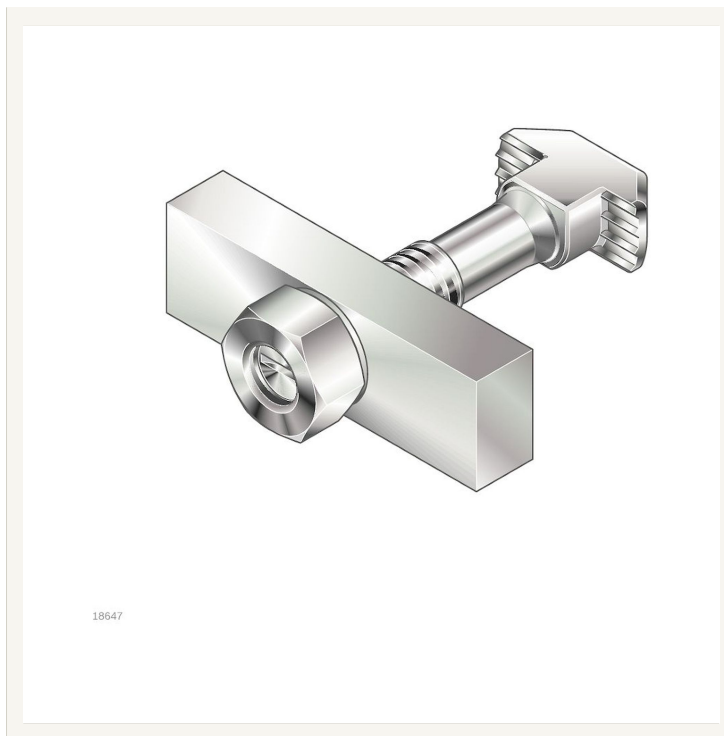

Manufacturer Bosch Rexroth

The QV fastening parts kit joins aluminium profiles with profile slot 10 in the 45 mm modular grid. Made of galvanized steel, it mounts in the profile slot to create stable profile connections. Supplied in a packaging unit of 10.

TECHNICAL DATA

Country of Manufacture **Taiwan**

HS-Code **73181900**

Weight **0.057 kg**

DESCRIPTION

The QV fastening parts kit from Bosch Rexroth is used to connect aluminium profiles with profile slot 10 on the 45 mm modular dimension. It is intended for design engineers and assemblers in machine and fixture construction who build firm profile connections.

- galvanized steel for lasting load capacity
- suitable for profiles with slot 10
- designed for the 45 mm modular dimension
- supply unit of 10 kits

TECHNICAL DATA

Modular dimension	45 mm
Profile slot	10
Material	Steel, galvanized
Packaging unit	10
Weight	0.057 kg
