

End Connector 30x30, Diecast Aluminum, ESD, Slot 8 - Bosch Rexroth 3842526003

Item no. BRR-3842526003

Manufacturer Bosch Rexroth

The 30x30 end connector joins two aluminum profiles end to end and aligns them flush with each other. Made of dimensionally stable diecast aluminum, ESD-capable and supplied as a set including fastening material. For building frames and structures from 30x30 profiles with slot 8.

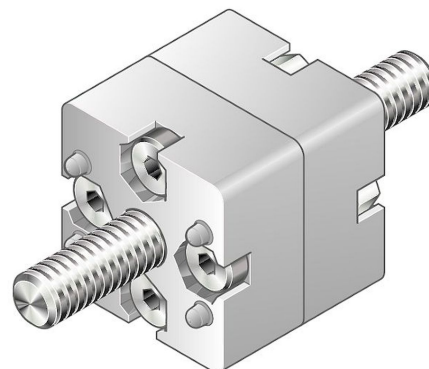

TECHNICAL DATA

Ausführungsklasse **ESD (antistatic)**

Country of Manufacture **Germany**

HS-Code **83024900**

Weight **0.104 kg**

18122

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The 30x30 end connector creates an end-to-end butt joint between two aluminum profiles and aligns them flush with one another. It is intended for building frames, structures and fixtures from 30x30 profiles with slot 8.

- End-to-end profile connection with a defined bending moment of 81 Nm
- Made of dimensionally stable, corrosion-resistant diecast aluminum
- ESD-capable for use in electrostatically protected areas
- Supplied as a complete set including fastening material

Note: on the 30x30 profile an M8 thread must be cut into the profile core.

Feature	Value
Bending moment 1	81 Nm
Material	Diecast aluminum
Material information	End connector: diecast aluminum; fastening material: steel, galvanized
Fastening material	2x cylinder head screw DIN7984 M8x30, 4x cylinder head screw DIN7984 M5x25, 4x hexagon nut DIN934 M5
Scope of delivery	Set incl. fastening material
Weight	0.104 kg
