### DESCRIPTION

The tensioning head 29x30x16 is a fixed holder for side guides on the VarioFlow plus chain conveyor system from Bosch Rexroth. It receives the lateral product guide and secures it firmly to the line profile. Suitable for system integrators and maintenance staff who need to guide workpieces reliably along the conveyor.

- Fixed holder for mounting side guides
- Housing made of polyamide (PA), black
- Fastening material included in delivery
- Compact size 29 x 30 x 16 mm
