

## Adapter Plate Kit ST 2/R-H, ESD, Corrosion-Resistant Steel - Bosch Rexroth 3842536800

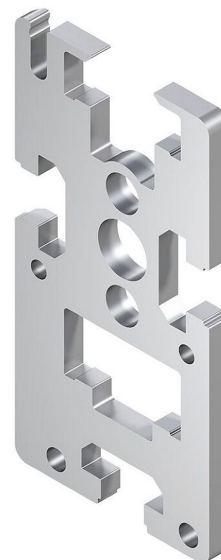

Item no. BRR-3842536800

Manufacturer Bosch Rexroth

Adapter plate kit for the TS 2plus transfer system with accumulation roller chain in longitudinal transport. The ESD-capable set in corrosion-resistant steel includes two left and two right adapter plates to adapt the section units.

| Ausführungsklasse      | TEC      |
| Country of Manufacture | Germany  |
| HS-Code                | 84313900 |
| Weight                 | 0.4 kg   |

### STANDARDS & COMPLIANCE

ESD safe

### DESCRIPTION

The ST 2/R-H adapter plate kit is used to adapt and mount components of the section units in the longitudinal accumulation roller chain transport of the TS 2plus transfer system. It is intended for system and fixture builders setting up electrostatically dissipative (ESD) workstations and conveyor lines.

- ESD-capable for use in electrostatically protected areas
- corrosion-resistant steel for a long service life
- set with 2 left and 2 right plates as a complete unit

### TECHNICAL DATA

| Attribute         | Value                                         |
|-------------------|-----------------------------------------------|
| ESD               | yes                                           |
| Material          | steel, corrosion-resistant                    |
| Packaging unit    | 4                                             |
| Scope of delivery | 2x left adapter plate, 2x right adapter plate |
