Weight **14.2 kg**

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

This box type table frame forms the base for manual workstations and is intended for assembly, inspection and order picking in production. The height-adjustable articulated feet compensate for uneven floors, and the ESD suitability makes it suitable for building electrostatic-protected workstations.

- Standard dimensions for box type workstation construction
- Height-adjustable articulated feet to compensate for uneven floors
- Freely expandable with accessories such as table tops and foot rests
- 45x45L profile with profile slot 10
