

Lean Fixing Device for Double Round Tube D28-55, Transport Guide - Bosch Rexroth 3842538130

Item no. BRR-3842538130

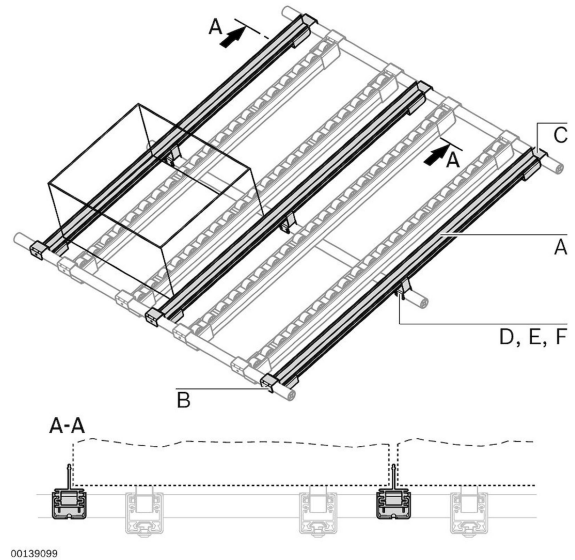

Manufacturer Bosch Rexroth

Fixing device from the SF Lean range for mounting a transport guide on double round tube D28-55. It secures the guide to the tube frame and suits manual production and rack systems used in material flow.

TECHNICAL DATA

Country of Manufacture **Germany**

HS-Code **83024900**

Weight **0.079 kg**

DESCRIPTION

The SF Lean D28-55 fixing device is a mounting element for building transport guides in manual production and rack systems. It fixes the guide to the double round tube and is intended for users assembling flow racks and supply positions from the tube and connector system.

- Secures the transport guide to the double round tube
- Part of the SF Lean kit for manual production systems
- Low weight for easy installation
