

Slide Rail VF/VFS, HDPE, Length 3000 mm - Bosch Rexroth 3842538389

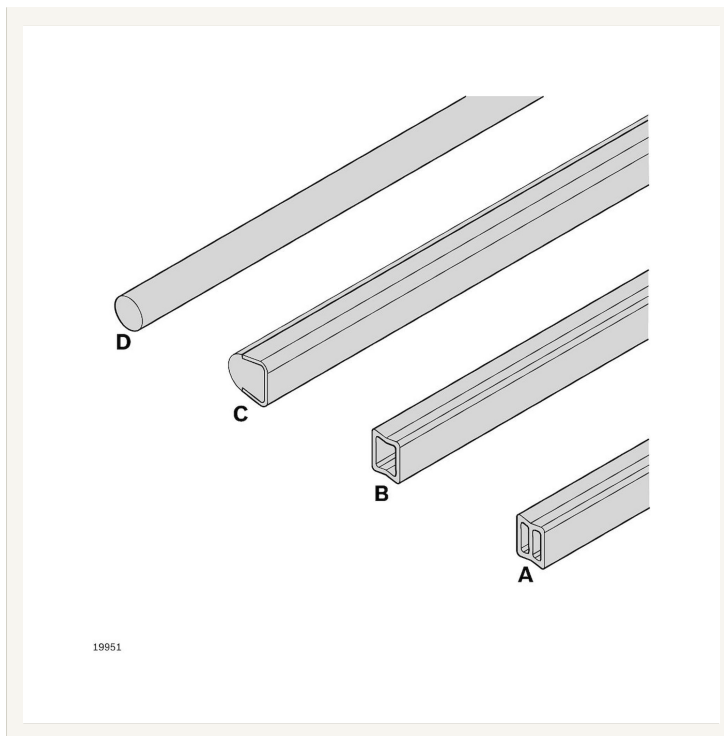

Item no. BRR-3842538389

Manufacturer Bosch Rexroth

HDPE slide rail for the side guides of the VarioFlow plus chain conveyor system (VF/VFS). The wear-resistant profile forms a low-friction sliding surface for reliable product guidance. Supplied as a single rod in 3000 mm standard length.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	39169090
Weight	153 kg

DESCRIPTION

The slide rail VF/VFS is an HDPE profile for the side guides of the VarioFlow plus chain conveyor system from Bosch Rexroth. It forms a low-friction sliding surface that keeps conveyed products on track, aimed at machine builders and maintenance teams in material flow applications.

- Wear-resistant HDPE for a long service life
- Low-friction sliding surface for gentle product guidance
- Suited to the side guides of the VarioFlow plus VF and VFS variants
- Supplied as a single rod in 3000 mm standard length
