

Base Plate with Screw Hole D59, Powder-Coated Diecast Zinc - Bosch Rexroth 3842538932

Item no. BRR-3842538932

Manufacturer Bosch Rexroth

Base plate D59 with central screw hole, the floor-side component of the leveling feet in the Bosch Rexroth aluminium profile system. The hole allows simple, firm fastening of the foot to the floor. Made of powder-coated diecast zinc, rated up to 30000 N, suitable for profile slot 8 and 10.

TECHNICAL DATA

Colour	Black
Country of Manufacture	Turkey
HS-Code	79070000
Weight	0.146 kg

21894

DESCRIPTION

The base plate with screw hole D59 is the floor-side component of the leveling feet in the Bosch Rexroth aluminium profile system. It combines with the spindle of the leveling foot, and the central hole allows simple screw fitting to the floor.

- Central screw hole for fixed mounting to the floor
- Leveling feet compensate for floor irregularities up to 10 degrees
- Modular system, spindles and base plates freely combinable
- Robust diecast zinc, powder-coated

TECHNICAL DATA

Force F	30000 N
Diameter D	59 mm
Dimension a	21 mm
Profile slot	8; 10
Color	Black
Material	Diecast zinc, powder-coated
Packaging unit	20 pieces
Weight	0.146 kg
