

Pipe D18 Stainless Steel, Length 3000 mm - Bosch Rexroth 3842539339

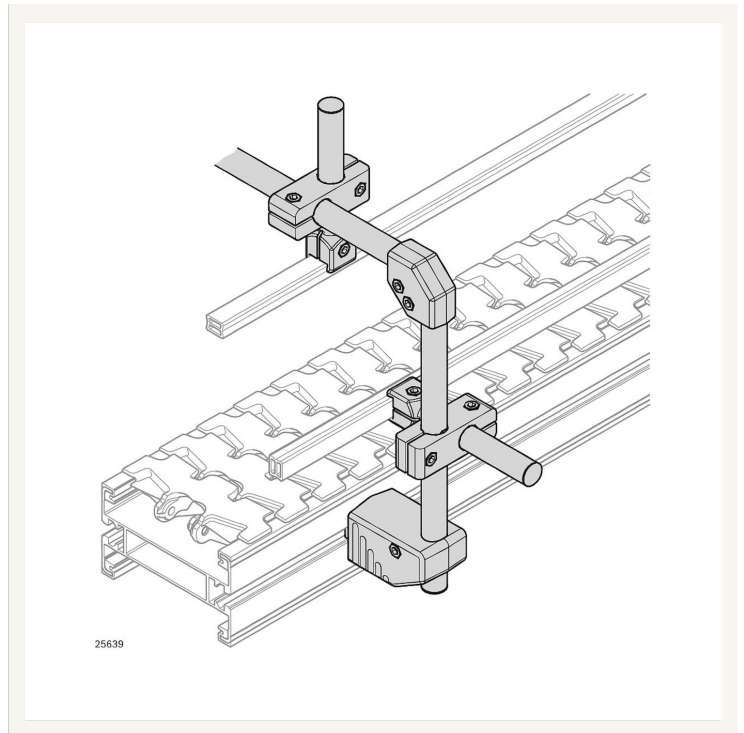

Item no. BRR-3842539339

Manufacturer Bosch Rexroth

The D18 stainless steel pipe serves as a round side guide for the VarioFlow plus chain conveyor system. It is supplied as a single rod in the 3000 mm standard length and fits into flexible guide holders. The corrosion-resistant material suits hygienically and chemically demanding environments.

TECHNICAL DATA

Ausführungsklasse	TEC
HS-Code	73069000
Weight	1.74 kg

DESCRIPTION

The D18 stainless steel pipe is a round side guide for the Bosch Rexroth VarioFlow plus chain conveyor system. It mounts into flexible guide holders and ensures reliable product guidance along the conveyor line. Intended for system integrators and maintenance teams that need a corrosion-resistant guide.

- Corrosion-resistant stainless steel for demanding and humid environments
- Supplied as a single rod in the 3000 mm standard length
- Compatible with flexible holders for side guides
- Recommended accessory: plug to close the pipe ends
