

Workpiece Pallet VarioFlow plus VF90, 175 mm, Complete - Bosch Rexroth 3842541889

Item no. BRR-3842541889

Manufacturer Bosch Rexroth

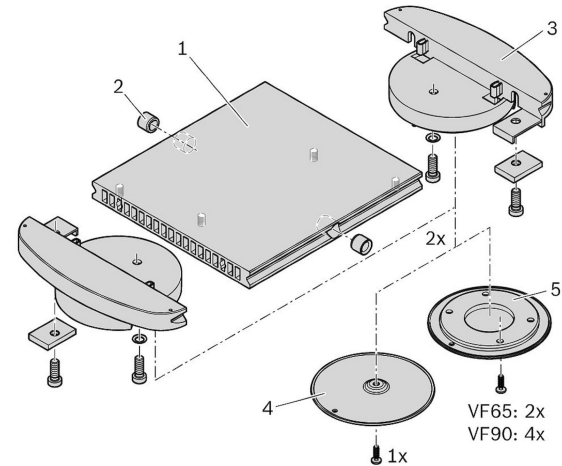

Workpiece pallet for the VarioFlow plus chain conveyor system in size 90. The anodized aluminum plate with positioning bushings holds workpieces in a defined position and carries them along the conveyor line. Supplied assembled without wear pad.

TECHNICAL DATA

Ausführungsklasse **TEC**

Country of Manufacture **Germany**

HS-Code **84313900**

Weight **0.1 kg**

DESCRIPTION

The VF90 workpiece pallet is part of the Bosch Rexroth VarioFlow plus chain conveyor system and serves as a transport platform for workpieces in assembly and conveyor technology. It suits users who need to move workpieces in a defined position along the conveyor line.

- Workpiece pallet plate in anodized aluminum, light and corrosion resistant
- Positioning bushings for defined workpiece pick-up and location
- End pieces in plastic (PA) for travel within the VarioFlow plus system
- Wear pads in stainless steel (HV $\geq$ 480) or PE
