

# Safety Cover TS5-OC 650/130 for Transitions, Galvanized Steel - Bosch Rexroth 3842545152

**Item no.** BRR-3842545152 **Manufacturer** Bosch Rexroth

**Manufacturer no.** 3842545152

Safety cover for transitions in the longitudinal transport of the Bosch Rexroth TS 5 transfer system. It closes off the transition area between two conveyor sections and helps prevent access to moving parts. Galvanized steel design for 650 mm track width and 130 mm roller spacing.

## STANDARDS & COMPLIANCE

**ESD safe**

## DESCRIPTION

The TS5-OC 650/130 safety cover closes off the transition area in the longitudinal transport of the Bosch Rexroth TS 5 transfer system. It bridges the gap between two conveyor sections and helps prevent access to moving parts. Suitable for system integrators and maintenance teams who need to cover transitions safely and cleanly.

- Cover for transitions between conveyor sections
- Helps prevent access to moving parts
- Robust galvanized steel construction
- Matched to 650 mm track width and 130 mm roller spacing

## Technical data
