

PTFE Spray for Reduced Friction and Noise - Bosch Rexroth 3842546150

Item no. BRR-3842546150

Manufacturer Bosch Rexroth

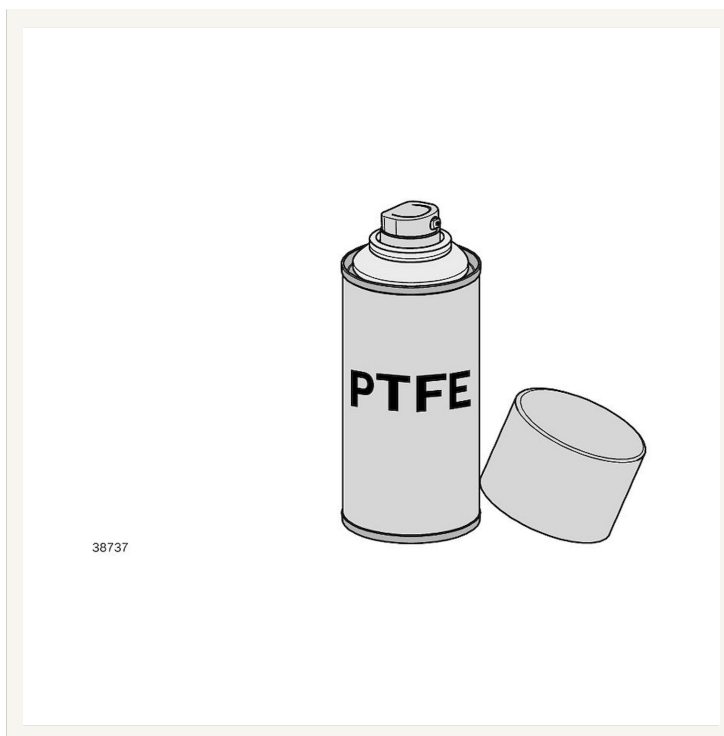

PTFE-based lubricant spray that reduces friction and noise emission on moving components. It is applied to sliding and contact surfaces in assembly and conveyor technology.

TECHNICAL DATA

Ausführungsklasse **TEC**

HS-Code **34031980**

Weight **0.0099 kg**

DESCRIPTION

The Bosch Rexroth PTFE spray is a polytetrafluoroethylene (PTFE) based lubricant for reducing friction and noise emission on moving components. It is suited for use in assembly and conveyor technology.

- Reduces friction on sliding and contact surfaces
- Lowers the noise emission of moving parts
- PTFE-based lubrication

TECHNICAL DATA

Type	PTFE spray
Function	Friction and noise reduction
Packaging unit	1
Weight	0.5 kg
