ESD safe

DESCRIPTION

The Bosch Rexroth Container 600 ESD drawer unit provides four sheet-steel drawers for the electrostatically safe storage of components, tools and small parts at a manual workstation. The ESD design protects sensitive electronic components and suits assembly and inspection workplaces.

- Four drawers for organised storage at the workplace
- Dissipative ESD design protecting sensitive components
- Durable sheet steel in dusty gray (RAL 7037)
- Load capacity up to 1300 N
- Lockable, key included

The unit mounts beneath the worktop of the Container 600 system. Required accessories such as a cover and a roller set are available separately.
