

Cross Connector VFplus 240AL, Diecast Aluminum - Bosch Rexroth 3842546676

Item no. BRR-3842546676

Manufacturer Bosch Rexroth

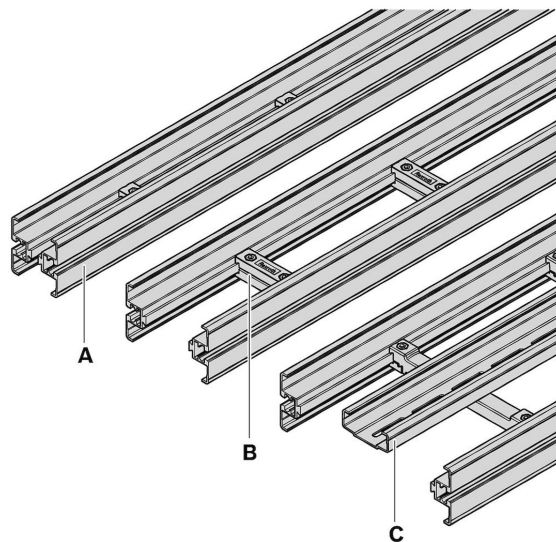

Diecast aluminum cross connector for the VarioFlow plus aluminum system in size 240. It connects the conveyor section profiles transversely and stabilizes the section structure. Supplied complete including the screw for attaching the support profile.

TECHNICAL DATA

Ausführungsklasse **TEC**

Country of Manufacture **Portugal**

HS-Code **84313900**

Weight **126 kg**

DESCRIPTION

The Cross Connector VFplus 240AL is a diecast aluminum connecting element for the Bosch Rexroth VarioFlow plus aluminum system. It joins the conveyor section profiles transversely in size 240 and provides a stable, torsionally rigid section structure. Suitable for building and bracing conveyor sections in the chain conveyor system.

- Diecast aluminum for high rigidity at low weight
- Matched to the VarioFlow plus size 240
- Supplied complete including the fixing screw for the support profile

TECHNICAL DATA

Material	Diecast aluminum
Dimension [b]	240 mm
Size [b]	240 mm
Scope of delivery	Complete, incl. screw for attaching the support profile
Delivery information	Not assembled
Packaging unit	10 pcs
Weight	0.126 kg
