DESCRIPTION

The Dynamic-Textil High swivel work chair from Bosch Rexroth is designed for elevated workstations in assembly and production, where operators work standing or at high benches. The seat and backrest are upholstered in breathable black fabric.

- Seat height continuously adjustable from 580 to 820 mm
- Sturdy steel star base with soft PP rollers for hard industrial flooring
- Certified GS safety to DIN 68877, load capacity up to 120 kg

For high workstations a foot support, circular footrest and armrest are recommended as accessories.
