DESCRIPTION

The 160+ VERT STS vertical curve is a pre-assembled deflection module for the VarioFlow plus chain conveyor system in non-rusting stainless steel design. It guides the conveyor chain with a 5° deflection angle in the vertical plane and suits inclined and declined sections in hygienically demanding environments.

- Fully made of non-rusting steel 1.4301 for applications with high cleanliness requirements
- Delivered fully assembled, incl. fastening material for direct mounting to the STS section profile
- Size 160 with integrated support profile
