DESCRIPTION

The 160 STS vertical curve is part of the VarioFlow plus chain conveyor system in stainless steel design and guides the conveyor chain through 30° in the vertical plane. It suits incline and decline sections in installations with elevated hygiene and corrosion requirements.

- Profile, connector and support profile made of non-rusting steel 1.4301
- Supplied fully assembled, incl. fastening material for mounting to STS section profiles
- R500 curve radius, size 160

TECHNICAL DATA

Deflection angle	30°
Size	160 mm
Dimension A	453.9 mm
Curve radius	R500
Effective chain length	2x 0.46 m
Effective sliding rail length	8x 0.46 m (with support profile)
Material profile/connector/support profile	non-rusting steel 1.4301
Scope of delivery	incl. fastening material for STS section profiles
Delivery condition	fully assembled

Required accessories**Weight**

slide rail (length calculation)

2.974 kg
