

Threaded Sleeve D28L, ESD, Diecast Zinc - Bosch Rexroth 3842548119

Item no. BRR-3842548119

Manufacturer Bosch Rexroth

The threaded sleeve D28L belongs to the EcoShape round tube system from Bosch Rexroth and provides a load-bearing threaded connection on the D28 round tube. The ESD version makes it suitable for electrostatic protected areas. The diecast zinc body ensures stable load transfer.

TECHNICAL DATA

Ausführungsklasse **ESD (antistatic)**

Country of Manufacture **Portugal**

HS-Code **79070000**

Weight **0.066 kg**

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The threaded sleeve D28L is a connecting element from the EcoShape round tube system by Bosch Rexroth. It provides a threaded connection on the D28 round tube and is used to fasten add-on parts or join components within manual production systems.

- ESD-capable for use in electrostatic protected areas (EPA)
- Diecast zinc body for stable load transfer
- Hexagon nut made of aluminum
- Supplied in a packaging unit of 20 pieces

TECHNICAL DATA

ESD	yes
Material	Diecast zinc
Material information	Hexagon nut: Aluminum
Packaging unit	20
Weight	0.066 kg
