

Cubic Joint 40/3 Set, ESD, Diecast Aluminum, Profile Slot 10 - Bosch Rexroth 3842549868

Item no. BRR-3842549868

Manufacturer Bosch Rexroth

Three-outlet cubic joint for 40x40 mm aluminum profiles with slot 10. Creates a conductive right-angle three-way connection (ESD-suitable) from diecast aluminum, with a bending moment of 70 Nm. Includes cubic connector (standard), cover cap D24 signal gray (PP), and 3 screws S12x30.

TECHNICAL DATA

Ausführungsklasse	ESD (antistatic)
Country of Manufacture	Germany
HS-Code	83024900
Weight	0.157 kg

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The cubic joint 40/3 (art. 3842549868) connects three 40x40 mm aluminum profiles (slot 10) in a right-angle three-way joint. The diecast aluminum housing forms an electrically conductive connection between profiles, making it suitable for ESD-protected assembly lines and workstation systems. Bending moment: 70 Nm. Note: the cover caps D24 signal gray (PP) included in the set are not ESD-compatible; for fully ESD-compliant coverage, Bosch Rexroth recommends the separately available cover cap D24 black (PP).

- Three outlets for right-angle three-point connections in a single component
- Electrically conductive - suitable for ESD-protected workstation systems
- Diecast aluminum housing, signal gray finish
- Fastening material included (3x screw S12x30, steel, galvanized)
- Compatible with Bosch Rexroth 40x40 aluminum profiles, slot 10

Property	Value
Profile slot	10
Number of outlets	3
Bending moment 3P	70 Nm
Connector material	Diecast aluminum
Fastening material	Steel, galvanized
Color	Signal gray
ESD-suitable	Yes (connector is conductive; cover caps in set are not ESD-compatible)
Scope of delivery	Cubic connector (standard), cover cap D24 signal gray (PP), 3x screw S12x30
Recommended accessories	Cover cap D24, black (PP)
Weight	0.157 kg
