DESCRIPTION

The W1451 self-tapping screw in 3.5x14 mm is a standard fastener in galvanized steel (property class 10.9) for use in Bosch Rexroth manual assembly technology. It is specified as a connecting element within the EcoSlide accessory range, dimensioned to suit standard EcoSlide guide and carrier assemblies.

- Property class 10.9 - high clamping force in a compact fastener
- Galvanized steel - corrosion resistance suitable for typical industrial environments
- Standard dimension 3.5x14 mm to W1451 - direct fit for EcoSlide components
- Pack of 10 - efficient stock management for series assembly

TECHNICAL DATA

Attribute	Value
Type	Self-tapping screw W1451
Dimension	3.5 x 14 mm
Property class	10.9
Material	Steel, galvanized
Weight	0.001 kg
Packaging unit	10 pieces
