

Housing Element for HD 2/H Transfer System, 320/240 mm, 180° - Bosch Rexroth 3842552604

Item no. BRR-3842552604

Manufacturer Bosch Rexroth

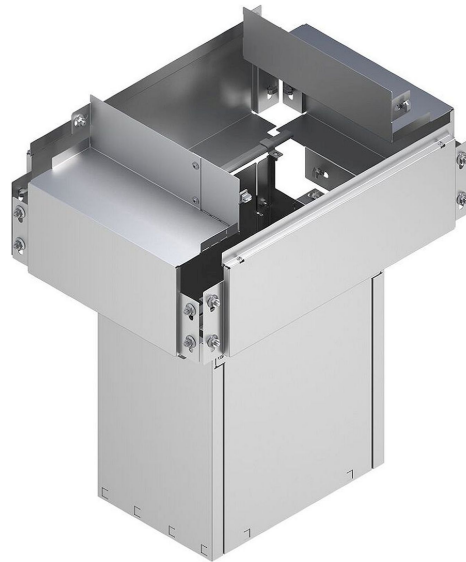

Housing element for the Bosch Rexroth HD 2/H transfer system, sized for 320 mm wide by 240 mm long workpiece pallets in a 180° straight-run configuration. Protects the unit below the conveying level against external interference. Protection above the conveying level must be configured separately for each application.

TECHNICAL DATA

Ausführungsklasse **TEC**

Country of Manufacture **Germany**

HS-Code **73089059**

Weight **0.0099 kg**

DESCRIPTION

The 3842552604 housing element is a protective enclosure for the Bosch Rexroth HD 2/H transfer system. It shields the installation below the conveying level from external interference and mechanical contact. Protection above the conveying level is not included and must be designed individually per application.

- Designed for workpiece pallets 320 mm wide and 240 mm long
- 180° configuration for straight conveyor sections
- Guards the unit below the conveying level against outside interference
- Direct fit to the HD 2/H transfer system without additional modification

TECHNICAL DATA

Parameter	Value
Article number	3842552604
Variant	Housing element for HD 2/H, 320/240 180°
Workpiece pallet length (IWT)	240 mm
Workpiece pallet width (bWT)	320 mm
Angle	180°
Weight	4.9 kg
