Manufacturer Bosch Rexroth

Annual subscription licence for the Bosch Rexroth ActiveCockpit AppConnector. Enables integration of external applications into the ActiveCockpit platform for 12 months. Renewable via article 3842558265.

TECHNICAL DATA

Country of Manufacture	Germany
HS-Code	49011000
Weight	0.001 kg

DESCRIPTION

The ActiveCockpit AppConnector is a software licence that connects external applications to the Bosch Rexroth ActiveCockpit platform. This 1-year subscription provides standardised data communication between ActiveCockpit and third-party or custom applications for a full 12-month term.

- Annual subscription model - predictable licensing costs, no upfront perpetual fee
- Connects external applications to the ActiveCockpit architecture via a defined interface
- Renew after expiry with follow-on article 3842558265 (12-month extension)
