

Clamping Profile 1S, Slot 10 mm, Length 50-3000 mm, Single-Sided - Bosch Rexroth 3842993019

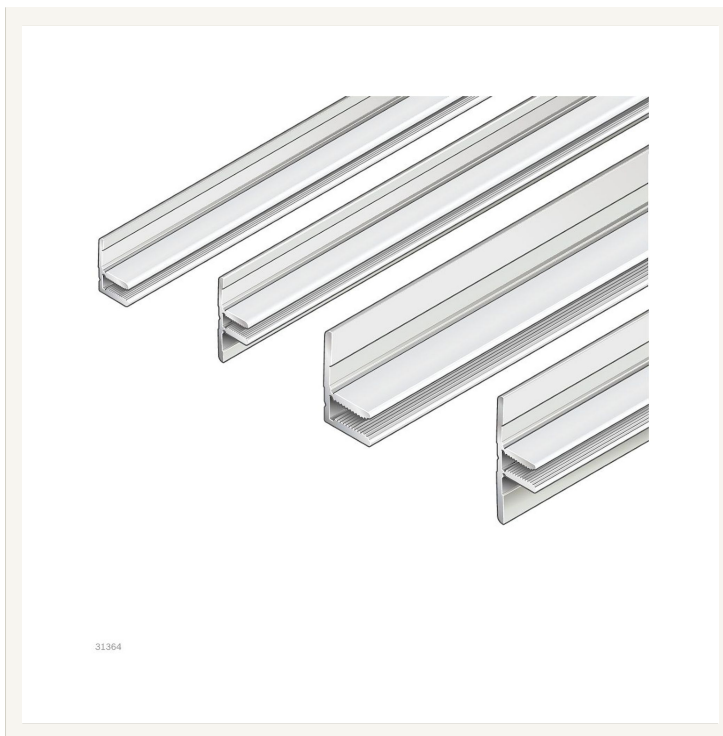

Item no. BRR-3842993019

Manufacturer Bosch Rexroth

Single-sided clamping profile in anodized aluminum for 10 mm slot profiles, cut to length from 50 to 3000 mm. Secures panes, surface elements or grilles to strut profiles and can be installed retrospectively in closed frame constructions. Suitable for surface elements of varying thickness.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	39169010
Note	Gemäß der aktuellen Preisstruktur werden für Bestellungen von Profilen mit einer Länge von 1500 mm zusätzliche Kosten in Höhe von 80,00 Euro berechnet.
Weight	0.0099 kg

STANDARDS & COMPLIANCE

ISO 4762

DESCRIPTION

The clamping profile 1S for 10 mm slot profiles provides a positive-locking connection for panes, surface elements and grilles on Bosch Rexroth strut profiles. Supplied cut to the required length (50 to 3000 mm), it also allows retrospective installation in closed frame constructions. The single-sided design (1S) accommodates surface elements of varying wall thickness; the through-hole for the mounting screw is pre-machined at the factory.

- Retrospective installation in closed frame constructions possible
- Cut to length: any dimension from 50 mm to 3000 mm
- Accommodates surface elements of varying thickness
- Material: anodized aluminum - lightweight and corrosion-resistant
- Profile finishing: through-hole for mounting screw pre-drilled
