TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.0099 kg

DESCRIPTION

The SZ 2/KE-90 support is an assembly technology accessory from Bosch Rexroth, providing mechanical bracing and alignment within KE-90 profile structures. Its low weight of approximately 10 g makes it suitable for weight-sensitive modular configurations in industrial workstations and transfer lines.

- Designed for KE-90 profiles in the Bosch Rexroth assembly technology system
- Minimal weight of approx. 10 g - suitable for lightweight modular builds
- Drop-in compatibility with existing SZ 2 system configurations
