Manufacturer Bosch Rexroth

Polypropylene material shelf for Bosch Rexroth manual assembly workstations. Width and depth are adjustable from 200 to 1000 mm and 310 to 1000 mm respectively. Delivered fully assembled, with mounting brackets for the 10 mm profile slot included.

TECHNICAL DATA

Colour	Light Grey
Country of Manufacture	Germany
HS-Code	39269097
Weight	4.632 kg

DESCRIPTION

The Material Shelf PP adds a flexible storage surface to manual workstations in the Bosch Rexroth assembly system. The adjustable width and depth cover a wide range of workstation layouts without requiring additional cutting or special parts.

- Width adjustable from 200 mm to 1000 mm - suits compact and wide workstation configurations
- Depth adjustable from 310 mm to 1000 mm - adequate for material and tool staging
- Delivered assembled: components are completely pre-assembled at the factory, ready for immediate installation
- Mounting brackets for the 10 mm profile slot included in delivery
- PP material - lightweight, chemical-resistant and easy to clean
- Light gray color, coordinated with the Bosch Rexroth workstation system
