

Lean Conveyor Track with Rail Holder, Single-Color Rollers - Bosch Rexroth 3842998381

Item no. BRR-3842998381

Manufacturer Bosch Rexroth

Fully assembled aluminum U-profile conveyor track for Lean assembly systems, delivered as two conveyor sections (left/right) with rail holders for direct suspension on tubular cross ties. Ø32 mm rollers in four colors (black, red, yellow, green) support Kanban and good/reject-part visualization. Available with or without lateral guide, with or without stop, and in an ESD-conductive version.

TECHNICAL DATA

Country of Manufacture **Germany**

HS-Code **84283990**

Weight **0.15 kg**

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The Lean Conveyor Track with Rail Holder (single-color rollers) from Bosch Rexroth is a fully assembled aluminum U-profile conveyor track designed for Lean assembly and flow-rack systems. Rail holders allow direct suspension on tubular cross ties; the horizontal distance between cross ties can be freely configured from 355 to 6000 mm. The track ships as two complete conveyor sections (left and right) and is available with or without lateral guide, and with or without a stop. An ESD-conductive version with plain aluminum U-profile is available for electrostatic-sensitive workplaces.

- Conveyor medium: Ø32 mm rollers with or without roller flange, configurable spacing - four colors (black, red, yellow, green) for Kanban or good/reject-part visualization
- Gradient: 0 to 10 %, recommended 6 %
- Delivered fully assembled: ready to install, no on-site conveyor assembly required
- ESD-conductive version available (U-profile: aluminum plain)
- Compatible variants: multi-color rollers (3842998382), slide rail (3842998387), roller elements (3842998385)

TECHNICAL DATA

Parameter	Value
Material	Aluminum U-profile
Conveyor medium	Rollers Ø32 mm with/without roller flange, various spacing
Roller color	Black, red, yellow, green (single color per order)
Horizontal cross-tie distance TM	355 to 6000 mm
Gradient G	0 to 10 % (recommended: 6 %)
Lateral guide SF	With / without
Rail holder version S	With / without stop
Conductivity (ESD)	Yes / no (version selectable)
Scope of delivery	Conveyor track consisting of two sections (left/right) with rail holders
Delivery	Fully assembled
