

Lean Conveyor Track with Stop Plate, Multi-Color Rollers (355-6000 mm) - Bosch Rexroth 3842998384

Item no. BRR-3842998384

Manufacturer Bosch Rexroth

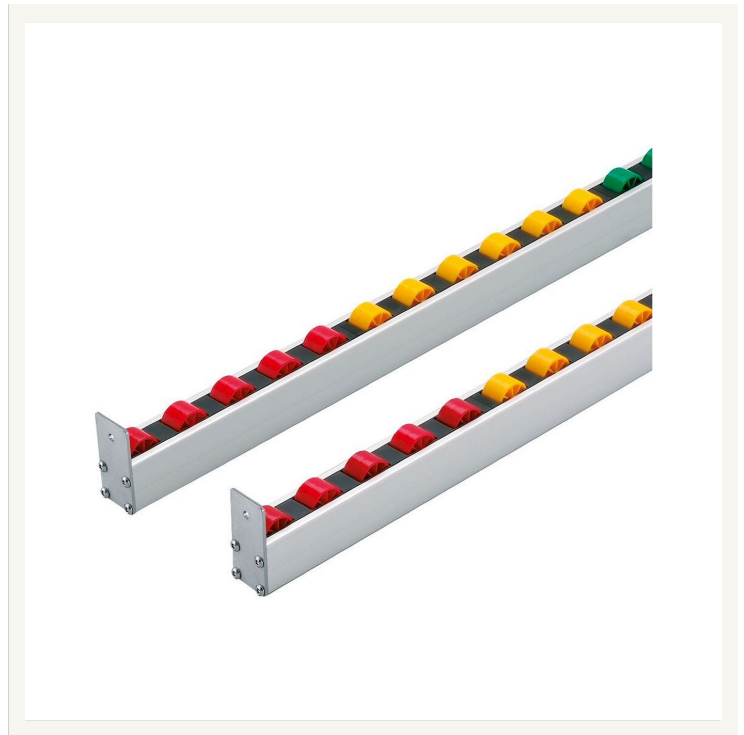

Configurable Lean conveyor track in aluminum U-profile with stop plate and multi-color rollers (black, red, yellow, green) for manual workstation linking. Rollers 32 mm diameter with or without roller flange, track length 355 to 6000 mm, delivered fully assembled. Available as ESD-conductive version.

TECHNICAL DATA

Country of Manufacture **Germany**

HS-Code **84283990**

Weight **0.15 kg**

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The Lean conveyor track with stop plate links workstations manually in assembly and order-picking lines. The aluminum U-profile accepts 32 mm rollers with or without roller flange; four roller colors (black, red, yellow, green) support kanban visualization or good/reject part separation. The track is delivered fully assembled as two conveyor sections (left/right) including stop plates.

- Length range 355 to 6000 mm - adaptable to any line layout
- Up to 160 rollers per color (F1, F2, F3) for fine-grained color coding
- Rail holder with or without stop; optional lateral guide
- ESD-conductive version available (plain aluminum U-profile)
- Delivered fully assembled - ready to install
