DESCRIPTION

The 90+ Universal conveyor chain is a fully assembled standard chain for the Bosch Rexroth VarioFlow plus chain conveyor system. At 2898 mm in length and size 90, it fits directly into existing VarioFlow plus lines without pre-assembly work. POM chain links deliver low friction and high wear resistance; the stainless steel chain pin (1.4301) and PA 66 pivot pin provide reliable joint integrity under continuous production conditions.

- Fully assembled on delivery, including chain pin and pivot pin - ready to install immediately
- POM chain links: low sliding friction, good damping, resistant to a broad range of media
- Stainless steel chain pin 1.4301: corrosion-resistant, suitable for clean and lightly humid environments
- PA 66 pivot pin: lightweight, dimensionally stable, proven in continuous-duty applications
- Packaging unit of 1: order the exact quantity needed, no minimum lot required
