### DESCRIPTION

Wheeled Pro Trolley protective case with integrated rollers and a telescopic handle that moves sensitive equipment over long distances while keeping it waterproof and shock-protected.

- Built-in rollers and an extending telescopic handle let you pull instead of carry
- Waterproof shell with an integrated pressure-equalisation valve, suitable for aircraft cargo holds and underwater use
- Two keyed-alike locks keep the contents secure in transit
- Stackable shape saves space in storage and in the vehicle

For field service, measurement and service technology, photo and media equipment, and safe tool and instrument transport on site.

Made in Germany from plastic, with an integrated pressure-equalisation valve.

### Technical data
