Weight **0.1 kg**

DESCRIPTION

Closed Euro container in the 60 x 40 cm footprint with fitted dividers that organise the interior into clear individual compartments.

- Longitudinal and transverse dividers split the container into up to 20 stable compartments
- Dividers slot securely and firmly into narrow holders
- Small parts stay sorted and do not mix during transport
- Compartment layout can be adapted and combined at any time
- Closed walls protect the contents from dust

Suited to keeping screws, small parts and components sorted by type in assembly, picking and the workshop.

Made of food safe polypropylene (PP), resistant to acids and alkalis, manufactured in Germany.
