DESCRIPTION

Sturdy cabinet of welded sheet-steel construction for the safe storage of tools, material and documents in the workplace. Solid build with a well-considered interior layout and lockable body.

Design and equipment

- With cylinder lock
- Long-lasting steel construction, front panels also made of steel
- Optimal ventilation in the cabinet thanks to the ventilation concept
- Doors hinged on the right, on pintles with vertical reinforcement, ventilation slots and punched label holders
- Door stop damper
- Insertable hat shelf and wardrobe rail made of oval profile with 3 twist-proof sliding hooks for each compartment
- Rotary bolt for padlock as practical basic equipment
- Seat slats made of beech as standard, profile 60 x 35 mm, planed on all sides, rounded top, clear varnished with natural colour differences
- Standard colour of the bench double feet: RAL 7021, black grey

Dimensions (W x D x H): 610 x 815 x 2090 mm
