ESD safe IEC 61340-5-1

DESCRIPTION

The sign holder makes ESD notices clearly visible on a belt barrier. The chrome plated stainless steel frame holds DIN A4 sheets and fits onto single belt barrier posts via a connector with a 76 mm diameter. A warning sign ESD protected area is included.

BENEFITS

- Clearly visible EPA marking directly on the belt post
- Holds DIN A4 sheets, content freely interchangeable
- Connector with 76 mm diameter for single belt posts
- Includes warning sign ESD protected area

TECHNICAL DATA

- Frame: stainless steel, chrome plated
- Format: DIN A4
- Dimensions: approx. 35 x 26 x 2.5 cm
- Connector: 76 mm diameter, with mounting flange

- Suitable for: barrier posts with a single belt

APPLICATION

For signage of EPA belt barrier systems in electrostatic protected areas (EPA) to IEC 61340-5-1.
