

Stativeinheit für Mobile Scope Inspektionssystem - Ersä 0VSST060

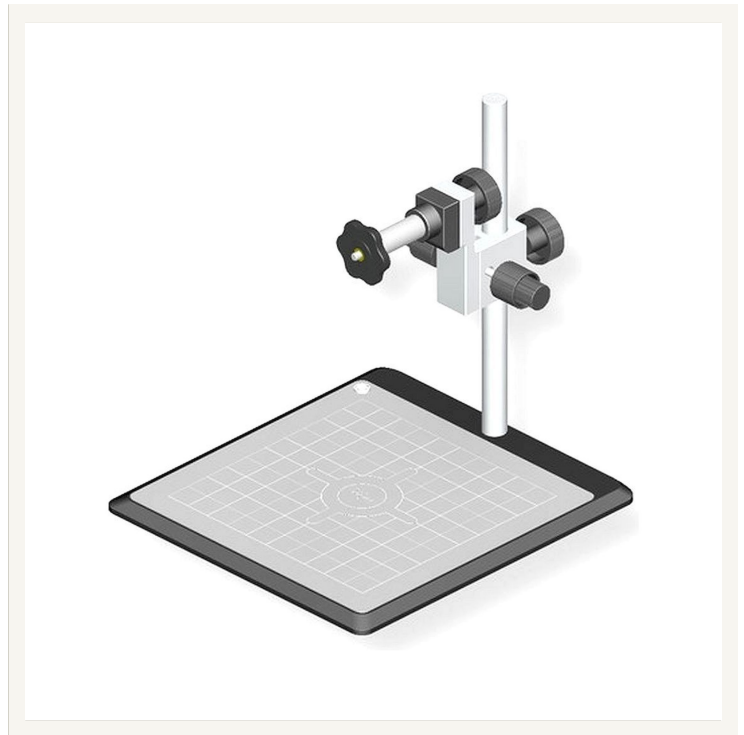

Item no. ER-0VSST060

Manufacturer Ersä

Sturdy stand unit for holding the Ersä Mobile Scope. Keeps the optics at a stable working height above the test object.

TECHNICAL DATA

Ausführungsklasse	ESD (antistatic)
Country of Manufacture	Germany
ESD equipment	ESD Lötstationen
HS-Code	85159080900
Weight	0.1 kg

DESCRIPTION

The stand unit carries the Ersä Mobile Scope and keeps the optics at a stable working height above the test object, so the inspection system stays securely positioned even during longer inspection runs.

BENEFITS

- Stable mounting of the Mobile Scope
- Secure working height above the test object
- Sturdy base for optical inspection

TECHNICAL DATA

Article number	0VSST060
Type	Stand unit
Use	Ersä Mobile Scope

COMPATIBILITY

Suited to the Ersä Mobile Scope inspection system, can be combined with the X/Y stage 0VSXY060.
