Manufacturer Treston

EAN 6416763077557

Pull-out waste and recycling bin with steel bracket for under-table mounting. 60 litre capacity for waste and recyclables right at the workstation.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Finland
ESD equipment	Nein
HS-Code	39231090
Weight	0.1 kg

DESCRIPTION

The Treston PRMB3 is a pull-out waste and recycling bin for mounting underneath the table worktop. It is supplied complete with a steel bracket and pull-out rails and holds 60 litres.

SPECIFICATIONS

Property	Value
Capacity	60 litres
Dimensions (WxDxH)	286 x 570 x 650 mm
Bracket	steel, with pull-out rails
Mounting	underneath the worktop

USE

The pull-out brings the bin forward when needed and slides it back under the table afterwards. This keeps the workstation tidy while waste stays within reach.
