DESCRIPTION

The Desco Statguard low residue floor stripper is a strong, non-ammoniated and phosphate-free cleaner with a mild pH. It is designed specifically for the Statguard dissipative floor finish and similar polymer coatings and lifts multiple layers of finish reliably.

BENEFITS

- Non-ammoniated and phosphate-free, biodegradable
- Mild pH that breaks up and lifts multiple coats of Statguard floor finish
- Suitable for vinyl, VCT, concrete, rubber, terrazzo, quarry tile, brick, slate and unglazed ceramic
- Low residue formulation

TECHNICAL DATA

- Coverage: approx. 9.8 m² per litre of concentrate when diluted 3:1
- Volume: 10 litre bag-in-box
- RoHS 2 compliant, lead-free
- Country of origin: USA

APPLICATIONS

For removing ESD floor finishes before resealing. Use in a well-ventilated area. Not recommended for asphalt tile and linoleum. Test a small area for bleaching first.
