

# Clevis Foot LBG-125 - Festo 31767

Item no. FES-31767

Manufacturer Festo

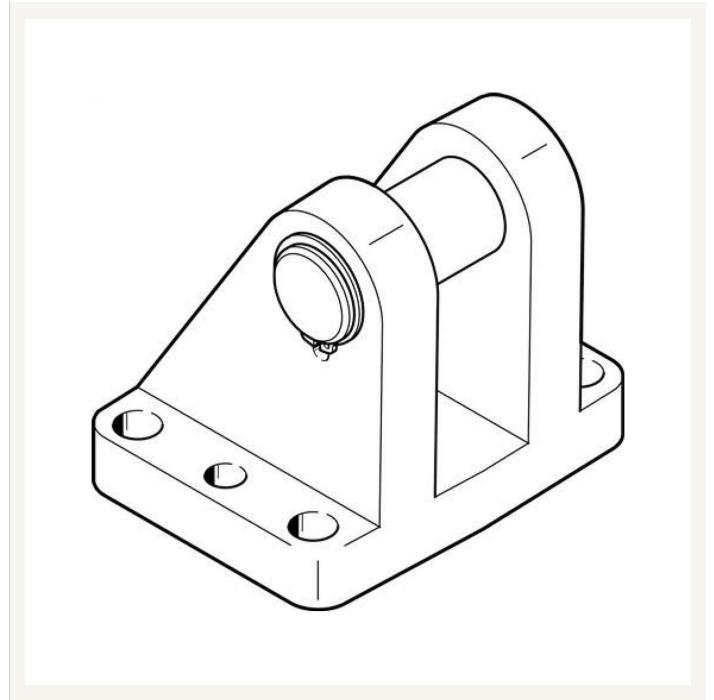

EAN 4052568003937

Festo pneumatic component for industrial automation and compressed-air applications in proven quality.

## TECHNICAL DATA

HS-Code 73259910

Weight 3.8 kg

## DESCRIPTION

Festo pneumatic component for industrial automation and compressed-air applications in proven quality. The key technical data of this genuine Festo article are listed below.

|                               |                                        |
|-------------------------------|----------------------------------------|
| size                          | 125                                    |
| Corrosion resistant class KBK | 2 - moderate corrosion stress          |
| ambient temperature [°C]      | -40 to 150                             |
| Product weight [g]            | 4.140                                  |
| Material information          | Copper and PTFE-free<br>RoHs compliant |
| Mounting material             | ball graphite casting                  |
| Bolts material                | Case-hardening steel                   |
| Fuse material                 | spring steel                           |
