DESCRIPTION

Workster Standard work swivel chairs

Sturdy equipment comes as standard on these production chairs. The standard seat tilt provides seating comfort at any workstation. Whether in the home workshop, in industry, production or the laboratory, the various chair configurations offer the right solution for every area. For simple tasks without continuous use, you will find the right seating option here.

Standard features at a glance

- Seat height-adjustable by gas spring, with seat tilt adjustment
- Seat and backrest in beech, PU, fabric and synthetic leather
- Low backrest, height- and tilt-adjustable

- Tall models with chrome or steel footring or step-up aid
- Bases in steel or plastic
