DESCRIPTION

WORKSTER ALLROUND SWIVEL WORK CHAIRS

Comfortable seating for longer work sessions. Both the ergonomic seat shape and the large backrest support extended work at varying workstations. Fitted with an aluminium base, the Allround swivel work chair also meets demanding design requirements, while a steel or plastic base makes it affordable and practically indestructible.

Standard features at a glance:

- **Height-adjustable seat** via **gas spring**, with **seat tilt adjustment**
- Seat and backrest in **beech**, **PU**, **fabric** and **synthetic leather**
- **High** backrest, adjustable for **height** and **tilt**
- High models with **steel foot ring**, **footrest** or **step-up aid**
- Bases in **aluminium**, **steel** or **plastic**
