### DESCRIPTION

### WORKSTER KOMPLEX SWIVEL WORK CHAIRS

High-grade chair engineering for demanding applications. This is exactly what modern workplaces call for, and it is what the Komplex models were developed for. The extremely stable seat assemblies suit the most varied requirements of industrial and production sites, whether on the assembly line, at the packing bench or at the machine. The high-grade PU assemblies and modern chair engineering deliver healthy ergonomics and great comfort at workplaces that demand a high degree of flexibility.
