DESCRIPTION

WORKSTER PROFESSIONAL WORK SWIVEL CHAIRS

For working sessions that allow no compromises. The hard-wearing PU seat cover meets the demands even of a welding workplace. The professional configuration of the W29 work chair is convincing with seat depth adjustment, synchro mechanism with permanent contact and body weight regulation. The adjustment options remain simple and intuitive to operate. In the usual low and tall versions, with steel foot rings and footrests, this series meets the requirements of almost all industrial workplaces.
