DESCRIPTION

WORKSTER XXL SWIVEL WORK CHAIRS

Our **heavy-duty chairs** stand out with **particularly ergonomic seats and backrests** made of PU foam, gas-spring height adjustment and sturdy steel bases. Every chair lets you adjust both the seat and the backrest in height and tilt. These series are available in various versions, with castors or glides, and in the high adjustment range with footrests, step-up aids or foot rings. All heavy-duty seating is designed for **continuous heavy loads up to 150 kg or 170 kg** without sacrificing the comfort that defines every Mey industrial chair.

SERIES FEATURES AT A GLANCE

- Seats **swivelling, height-adjustable** and **tilt-adjustable**
- Backrest partly **pendulum-mounted, height-adjustable, tilt-adjustable**, partly **tiltable with permanent contact**, partly **depth-adjustable**
- **Seats height-adjustable** via **gas spring**
- **Increased load capacity** of **150 or 170 kg**
- Partly available in ESD version
