Weight	0.0099 kg

STANDARDS & COMPLIANCE

ESD safe DIN EN 61340-5-1

DESCRIPTION

FUTURA ESD SIT-STAND STOOLS

Our ESD sit-stand stool models feature seats of conductive PU foam, gas-spring height adjustment and sturdy steel bases. All models allow the seat to be adjusted in height. All individual components of the sit-stand stool are conductive. Conductive surfaces and materials provide reliable protection against uncontrolled electrostatic discharge at the workplace. For your safety, every sit-stand stool is individually measured for conductivity to DIN EN 61340-5-1 before shipping and a test report is issued. This report is supplied with the sit-stand stool.

STANDARD FEATURES AT A GLANCE

- Height adjustment by gas spring
- Comfortable PU seats, in part with a small backrest
- Seats in part rotatable and tilt-adjustable
- Steel bases
- With floor glides
