DESCRIPTION

FUTURA STANDARD SADDLE STANDING AIDS

Our space-saving standing aid with back support is a genuine space saver. Its easy handling is a particular strength of this foldable standing aid. In some areas a standing support is not needed at all times, so it can be quickly set aside. Flexibility is its hallmark. At the bank, in the pharmacy, at the airport service centre or while ironing, support during long periods of standing is needed for a certain time everywhere.

The standard features at a glance
