DESCRIPTION

ASSISTENT SIMPLEX STOOL

A solid stool, brilliantly simple. The wide choice of surfaces makes it a true all-rounder. PU foam, synthetic leather, fabric or wood, the right surface for every area of use. Thanks to its simple height adjustment, the work stool adapts to any situation. For simple tasks without continuous use, it is the right seat for you.

Standard features at a glance:

- **Manual** height adjustment
- **Wide selection** of round seats in **PU, synthetic leather, fabric** or **beech**
- Tall models with **steel footring**
- Frames made of **round steel tube** with glides
