DESCRIPTION

ASSISTENT ALLROUND STOOL

Comfortable seating for longer working sessions, a reliable helper at demanding workstations. The stool's sturdy steel base provides a secure stance, no matter how complex the work routine. Where space is tight or the stool stands on a platform, glides are a good alternative to castors. The handling and the adjustment options of this work stool are intuitive to operate.

Standard features at a glance:

- Height adjustment via **gas spring, ring release** under the seat
- **Selection** of round seats in **PU, synthetic leather, fabric** or **beech**
- Tall models with **step-up aid** or **chrome footring**
- Base made of **steel**, with **glides** or **castors**
