DESCRIPTION

ASSISTENT STANDARD SADDLE STOOL

Proven models with high quality. The Standard models meet this expectation. A solid basic specification guarantees a good stool that is a flexible helper for simple work routines. It supports you at the right moment and is also quickly pushed under the table when not needed. Here you will find quality at a low price.

Standard features at a glance:

- Height adjustment via **gas spring**
- **Wide selection** of saddle seats in **PU, synthetic leather** or **fabric**
- Tall models with **chrome footring**
- Base made of **plastic**, with **glides** or **castors**
