DESCRIPTION

ASSISTENT STANDARD SADDLE STOOL

Comfortable seating sets for longer use are what define the meychair stool series. They are a reliable helper in demanding work environments. The sturdy, chrome-plated steel base provides a secure stance, no matter how complex the tasks and processes are. Where space is limited or the stool stands on a platform, glides are a good alternative to castors. Handling and adjustment options are intuitive to operate.

The standard features at a glance

- Seats **swivel-, height- and tilt-adjustable**
- Backrest **pendulum-mounted, height-, tilt- and depth-adjustable**
- Height adjustment by **gas spring**
- Saddle seats and backrests in **PU** or **synthetic leather**
- Tall models with **chrome foot ring**
- Base in **chrome-plated steel**, with **floor glides, castors** or **glide castors (braked castors)**
